

# Certificate III in Individual Support (Ageing and Disability)

CHC33021

# About this course

Our nationally recognised CHC33015 Certificate III in Individual Support (Disability) is the perfect qualification for people who have a passion for supporting the elderly, or those with a disability, to reach their full potential.

Start a career in the disability and/or aged care industry - whether you imagine working in an Aged Care Facility, in Home and Community Care, or you could work in disability, such as in the NDIS workforce, or any other organisations that provide support and care to the disabled.

Upon completion, you will be job ready and equipped with the knowledge and skills to follow an individualised plan to provide person-centred support to people who require care. Learn about dementia, palliative care, safe working practices, the legalities and ethics of the industry, building relationships with families, co-ordinating services and empowering your clients.

This course includes practical placement component. We take care to match you with a facility that best suits your needs including location and upcoming vacancies to maximise the likelihood of an employment opportunity. Practical placement is a wonderful opportunity to showcase your skills to a prospective employer. We pride ourselves on providing a supportive learning environment to help our students to launch their new career successfully!
